The first 15 pages of the bulletin deal with a draft for a trade union contract for employees of the Postal and Telecommunications Service, to serve as a basis for discussions. The goals of the Five-Year Plan are stressed, and it is indicated that the employees of the Postal and Telecommunications Service will play their part in the Economic Plan, for 1951, the first year of the Five-Year Plan. The trade union contract deals mainly with regulations regarding work standards, wage and salary tables, training of new personnel, social and cultural measures, etc.

The last page of the bulletin is an extract from the preamble of the law concerning the 1951 Economic Plan.
